Event Registration PLEASE SAVE THIS FORM TO YOUR COMPUTER BEFORE FILLING IT OUT!!!

All dancers must pay for each event they enter. Once you have completed this form, save it to your computer, then return to the [website](#) to submit your payment. Since every dancer must register individually and since many of you plan to compete with different dance partners in different events, we need to know which dance events you plan to register for and who your partner will be for each partner dance. (If you are planning to switch between leading and following, please place yourself according to your primary role in that dance.) Thanks for taking the time to keep this process organized and accurate.
